

## **Summer's Here – Stay Safe, Stay Strong**

*From Your Pecan Grove Fire Department*

To all our friends in Pecan Grove,  
Waterside, and Harvest Green,  
The summer heat has just begun—  
Let's keep it safe and cool and clean.

**Watch the water, stay close by,**  
Drowning happens fast and sly.  
Kids near pools need eyes, not phones—  
Never leave them there alone.  
Life vests help, but eyes do more—  
Safety starts on your pool floor.

**The heat is high, the sun is mean,**  
Especially here in Harvest Green.  
Drink water, rest, and take it slow,  
Heat stroke hits before you know.  
Shade is smart, and breaks are best—  
Listen to your body's stress.

**Hurricane season's rolling in,**  
With winds that whip and surges thin.  
**Run from water, hide from gusts,**  
Prep ahead—it's a must.  
Flashlights, food, and plans in place,  
Can help you win the safety race.

But summer's not just heat and rain—  
We've got some fun to ease the strain!  
On **July 4th**, come join the cheer,  
**"Five Miles My Way"** will rock the year.  
Then fireworks blast across the sky—  
From the country club, they'll fly high.

So from your crew at **PGFD**,  
We're here to serve our whole family.  
Stay safe, stay sharp, and have some fun—  
Together strong till summer's done.
