

*PGVFD Fireball Classic  
Golf Tournament  
Sponsored by: **FLUOR***

## *Fireball Game*

**How to Play:** To play Fireball, you must have a team of four. Each foursome has a hideous, brightly colored ball that rotates among players. Player 1 uses it on the first hole, player 2 on the second, and so on. Player who possesses the Fireball at each hole will need to keep the score on both scorecards:

- a) Tournament Scorecard
- b) Fireball Scorecard. A trophy will be given to the team with the best Fireball score. When your team signs up for the Fireball game, you will be given a bright color scorecard to keep your Fireball scores on, please return the scorecards to a PGVFD Firefighter or Volunteer at the Country Club.

If a team loses the Fireball, it's out of the Fireball game and can continue playing golf normally.

**This game is a extra \$100 per team, that is only \$25  
a person and all the proceeds will go to the  
Firefighter Relief Fund.**
